# NHK WORLD RADIO JAPAN

NHK WORLD

## Broadcasting in 18 languages

Our services are available on a variety of media, including shortwave, Medium Wave, FM and satellite radio as well as online, making it easy to listen.

In the English-language programs, "Plug-in Japan," which is broadcast from Monday to Saturday, introduces you to industrial technologies, traditional culture and arts, as well as other interesting topics from across Japan. It aims to offer information that will be useful to listeners planning to visit Japan, and make others want to come too. A new segment, "BOSAI," will take a look at Japan's disaster preparedness skills, while "Topics Around the Country" focuses on the charms of various areas of Japan. For further information, please refer to our weekly program guide. The English-language broadcast team values your feedback and opinions on the programs. You can reach us by post or by clicking "Contact Us" on our website.
